

## REMARKS

Reconsideration of the application, as amended, is respectfully requested.

This amendment is presented in response to the Board's decision on appeal, stating the new rejection under 35 USC §112 second paragraph. Applicants have amended the claims in a serious effort to advance the prosecution of the application. All claims were amended to delete the word "generally." Support for these amendments may be found at least on page 3, line 25 and in Figures 1A -1D of the specification.

The amended claims recite metes and bounds of the invention clearly and definitely. Consequently, it is respectfully requested that the §112 rejection be reconsidered and withdrawn and the application be allowed to issue.

If a telephone conversation would be of assistance in advancing the prosecution of the present application, applicants' undersigned attorney invites the Examiner to telephone at the number provided.

Respectfully submitted,
